Re: Clarke v. New York City Department of Education, et al.
18-CV-1850 (NGG) (JO):

Dear Judge Orenstein:

Pursuant to the Court's order dated June 29, 2018 (ECF Document 16), the parties jointly submit this letter. The parties are hopeful that they will be able to complete discovery by the January 30, 2019 deadline set forth in the same order, but may require an extension of time due to delays in Defendants' ESI collection and due to Defendants' refusal to schedule depositions until ESI collection has been completed.

Plaintiff is prepared to proceed with Defendant Principal Christie's deposition next week. Defendants are taking the position that because ESI collection has not been completed—and they do not know when it will be completed—that it is premature to schedule Principal Christie's deposition. Plaintiff wishes to proceed with Principal Christie's deposition next week regardless of the status of ESI collection; in the event that ESI collection is not ready prior to the deposition, Plaintiff seeks to recall the principal to continue the deposition. Defendants have opposed Plaintiff's request.

Defendants are prepared to discuss the delay at the conference. Both parties have served and responded to interrogatories and requests for documents and have produced the paper documents demanded therein. The parties are communicating regarding dates for depositions, but have not yet finalized the schedule for depositions due to the aforementioned issues.

The parties thank the Court for its consideration of this request.

Respectfully submitted,

/s: *Bryan Glass*
